

# --- SUMMER 6-CREDIT FIELD COURSE ---

"Amazing course! It is one thing to learn something in class, its another to learn that same information in the field where it's pertinent a and you can experience it...from the cold of the tundra to the heat of the grasslands, one of the finest educational experiences of my life."

**Participant remarks**

## *Colorado Ecosystem Field Studies (k-12)*

Class of 2007 at Cal-Wood

**Earn 6 relicensure credits in the foothills of the Rocky Mountains at the spectacular 1,200-acre, private *Cal-Wood Education Center***

*(near Jamestown, Colorado, 1 hr nw of Denver, 1/2 hr nw of Boulder)*

**Course 1- June 8-21 Course 2- July 6-19, 2008**

*Accredited through the Colorado School of Mines (CSM), Teacher Enhancement program for 6 graduate level relicensure credits.*

**Explore & survey the concepts, components & conservation of the Colorado Front Range ecosystem:**

- \* *Life Sciences*
- \* *Earth Sciences*
- \* *Geography*
- \* *Field observation & research methods*
- \* *Ecosystem restoration & stewardship*

This outdoor course synthesizes and applies life science, earth science and geography standards to an authentic, complex, and dynamic environmental setting. Instruction is delivered with direct lecture, hands-on activities, guided exploration, field trips and guest speakers. Students base/tent-camp in a beautiful mountain location, hike daily, and participate in an intensive educational experience.

Class size is limited to 16 students so register early to reserve a space.

**Cost \$925** includes meals, camping fees, group camp/field equipment & use of Cal-Wood Lodge for showers, phone, computer. Students provide own tent & personal sleeping/outdoor gear. \$220 payable to Colorado School of Mines for credits.
